

In Memory of Penny Hewitt

Donations can be made to the Lake County Family YMCA Seahorse Swim Team. Penny put in many years as a wife of a swim team coach, as well as many years as a swim team mom. The swim team can be expensive, for all the apparel, meets, travel, and especially the meets that might fall out of state.

In January every year the Seahorse Swim Team attends the Winterfest Meet hosted at The University of Maryland. This trip usually takes 6 kids or more all the way to Maryland to swim in a two day meet. This year the team will hopefully have close to 8 kids going, but each kids trip is paid for by their parents.

Penny knew how hard it was so pay for these trips, but when your child is given the opportunity to swim at a pool like University of Maryland (as well as visit Washington DC while there), that you have to try to come up with the funds.

The Hewitt (and Curren) Family would like that donations be made to the Lake County Family YMCA Seahorse Swim Team so that the cost of this trip to Maryland is cut down for the parents that want to send their kids to the meet. The team may be able to send a kid that may have otherwise not have been able to afford to travel so far with help from your donations.

Please contact Katie Curren if you have any more questions about how to donate to the Seahorse Swim Team.
